Author: Jim Dods

This talk based on two questions

## Question #1: **How are you?**

This question addresses our spiritual health. It is not about our conduct so much, as about the condition of being.

- a. Spirit-filled?*
- b. Self-controlled?*
- c. Holy?*

If I can't answer positively to this question, I am in no condition to battle sexual sin.

## Question #2. **What are you doing.**

This question addresses our actions/conduct. What am I doing or not doing?

- a. Renewing my mind?*
- b. Making provision for the flesh?*
- c. Radical actions?*
- d. Getting rid of and replacing?*
- e. Accountability?*
